

Flight-Testing Newton's Laws			
2009 Mathematics			
Priority Academic Student Skills			
Oklahoma Mathematics			
Grades 9-12			
Activity/Lesson	State	Standards	
Session-10 (1-5)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-10 (1-5)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-1 (1-17)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-1 (1-17)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-2 (1-10)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-2 (1-10)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-3 (1-6)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-3 (1-6)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-4 (1-11)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-4 (1-11)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-5 (1-6)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-5 (1-6)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-6 (1-8)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-6 (1-8)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-7 (1-5)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.

Session-7 (1-5)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-8 (1-9)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-8 (1-9)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
Session-9 (1-7)	OK	MA.9-12.1.1	Apply a wide variety of problem-solving strategies (identify a pattern, use equivalent representations) to solve problems from within and outside mathematics.
Session-9 (1-7)	OK	MA.9-12.4.3	Use mathematics to solve problems encountered in daily life.
